## NOTICE TO MARINERS.

United States Branch Hydrographic Office, Merchants' Exchange, San Francisco, Cal.

Captains of vessels touching at any of the ports of the Hawaiian Islands, by communicating with the Branch Hydrographic Office in San Francisco, will be furnished with the Monthly Pilot Charts of the North Pacific, and with the latest information regarding the dangers of navigation in the regions which they frequent.

Nautical inquiries will be investigated and answered.

Mariners are requested to report to the office dangers discovered, or any other information which can be utilized for correcting charts or sailing directions, or in the publications of the Pilot Charts of the North Pacific.

W. S. HUGHES,  
Lieutenant, U. S. Navy, in Charge.

## Miowera Notes.

The C. A. S. S. Miowera came in at an early hour yesterday morning. Following is the report, kindly furnished by the purser: The R. M. S. Miowera, Thomas Free, R. N. R. commander, left Vancouver at 6:16 a. m. on the 8th inst.; Victoria at 6:30 p. m. same date. Cleared Tator Island at 11:27 p. m., passed the bark Imberlocky, standing to eastward in lat. 39-27 N. lon. 133-20 W. on the 11th of August. Arrived at Honolulu at 4:30 a. m. of the 16th. Experienced for the first three days fresh and strong winds from S. E. to S. W., with head sea, thence to arrival fine weather.

The Miowera can no longer be called the "Weary Mary," for her punctuality of late is above reproach. The new engineer, transferred from the Warrimoo, is doing good work. The Miowera arrived in Vancouver 24 hours before she was expected, and a day or so before arrival here slowed down to get into port at daylight.

First Officer Hemming, who went through here as captain on the last trip, has gone back to his old position, and now Captain Free is in command. Mr. Hemming's friends are very sorry about the matter, as it was none of his fault. A law was recently passed in Australia repealing the deep-water steamers' exemption act. The pilotage into Sydney is very heavy, and the captains of the various boats have taken examinations qualifying them to act as pilots and to take their own steamers into that port. The repealed law shuts out Mr. Hemming.

## Police Court Notes.

In the Police Court, yesterday morning, the case of James Bennet (Bos'n Ben), for larceny in the first degree, was postponed until August 19th. Bennet, who claims kinship to the great James Gordon, is up also on the charge of vagrancy. This case was likewise postponed until the 19th.

Kauhane, the whistler, was fined \$2 and costs for drunkenness. He wanted Judge Wilcox to pay his fine, but as His Honor expressed himself as being in another line of business, Kauhane will probably be missed off the streets until he has worked off his fine.

Kin Wan was fined \$10 and costs for furious and heedless driving.

## WHARF AND WAVE.

DIAMOND HEAD SIGNAL STATION, August 16, 10 p. m.—The weather is clear; wind, light, north.

The Noeau is due from Hamakua this morning.

The dredger was laid up for repairs yesterday.

The Miowera brought about 500 tons of freight for this port.

The Kinau will be in from Maui and Hawaii ports this afternoon.

Mauna Loa for the Volcano, Maui and Hawaii ports, at 10 a. m. today.

The bark Fresno will probably sail for Port Townsend today. She has cleared.

The Mikahala will sail at 5 p. m. today for Kauai ports, relieving the W. G. Hall, laid up for repairs.

The Miowera was on the boards to sail at 5 p. m. yesterday, but she did not get away until an hour later.

The barkentine Jane L. Stanford, Johnson master, sailed in ballast for the Sound early yesterday afternoon.

Stmr. Mikahala, Thompson, for Naniwa, Koloa, Elele, Hanapepe, Makaweli, Waimea and Kekaha, at 5 p. m. (In place of W. G. Hall.)

The J. A. Cummins was to have sailed for Oahu ports yesterday afternoon but could not make it. She will leave on her regular route at 7 a. m. today.

The ship Commodore is fast getting on her cargo of sugar for New York. Last year she took 50,450 bags, valued at \$225,316 and this year she will take about the same.

A native boy, a brother of one of the sailors on the Inter-Island force, has been missing for about two days. He is an orphan and was living with his brother. The theory is that he has gone on some island steamer to learn to be a sailor.

The Waialeale sailed yesterday afternoon for Lahaina, taking the McCandless well boring outfit. This will be taken from that place to Kaunapali where a well will be sunk. Head Carpenter Johnson of the Inter-Island Company, went up to build the derrick. The Waialeale also took 50 tons of coal.
